

# A video about the spirit and mission of Lasallian association.

A formation session

for Lasallians from around the world was held in Rome from the 13th to the 26th of October 2019. It was very successful in its aim of deepening people's sense of awareness of Lasallian identity.

The 55

participants came from different countries and represented almost all the Districts

of the Institute. There were 32 Lay Lasallians (14 men, 18 women) and 23 Brothers,

and they agreed to be interviewed for this short video in which they speak briefly about their ideas concerning the nature of Lasallian association.

The video is the product of a process of fraternal listening, and it is now available via Youtube in three versions with subtitles in **English, Spanish or French.**
